2021 Community Support Grants

Family First Credit Union receives many requests for charitable support annually. To better meet these requests, we have incorporated the following eligibility and submission guidelines for our Community Support Program. Please read the following to determine if your request meets our criteria.

Sponsorship Philosophy

In line with our Mission Statement “providing our members with competitive financial products delivered in a professional and friendly manner, whilst meeting our community and social obligations”, we believe that in order for requests for support to be considered they must fall into one of the following primary areas of focus:

- Sport and Leisure
- Family welfare or support
- Education
- Health/Medical
- Culture/Arts
- Environment

AND be in line with our community positioning criteria:

- Recipient of funding must be located within one of our Four communities (ie. Greater Lithgow, Mid-Western Regional Council, Blackheath/Mt. Victoria area or Bathurst Regional Council)
- The quality and application of the proposed project must align with Family First Credit Union’s Mission and values
- Support for the project leads to enhancement and profile of Family First Credit Union within the local community
- Fill a recognised need whilst benefiting the community at large
- Preference will be given to activities that are open to the general community and mostly benefit members of Family First Credit Union, their families or the community

(These guidelines will not cover every possibility, opportunity or special need. For that reason, all community support applications will be reviewed on an individual basis).

Your application will NOT be considered for funding under the following criteria:

- Operating or administrative costs
- Any group which represents a conflict of interest for Family First Credit Union
- The promotion of religious beliefs
- Supports or promotes any political party or Group
- Individual participation in a sports activity or pageant
- Any group which is a commercial business whose sole purpose is for financial gain

How to Apply for Community Support

All applications for community support must be submitted on the Family First Credit Union Community Support Application Form (Available at our Branches and on our homepage www.familyfirst.com.au) Application can be submitted in any branch or posted to PO BOX 386, Lithgow 2790 prior to deadline for submission.

Application Evaluation Process

Your request for our community support will be evaluated on the information that you provide in your application. It is important to be very clear in your reasons for request, how the funds will be used, and the benefits that Family First Credit Union can expect from our participation. Incomplete applications will not be viewed favorably.

Approval and Funding of Support

You will receive notification upon approval of your application. If your sponsorship is approved, Family First Credit Union host a series of morning teas in each of our Branches at Bathurst, Blackheath, Lithgow and Mudgee where we would like to meet and greet your organisation and present you with your cheque.

Family First Credit Union Support Funding Credit

In return for our participation in your sponsorship, Family First Credit Union may request the following inclusions, but not limited to:

- Inclusion in your publicity opportunities (press releases, new stories, articles and website references). For example - "This project/event has received funding through a donation/sponsorship from Family First Credit Union".
- Family First Credit Union logo or advertisement in applicable printed material
- Verbal acknowledgment of Family First Credit Union at your function and/or presentation of award/donation

Thank you in advance for considering Family First Credit Union to support your Sponsorship/event. We have proudly supported our local Lithgow, Bathurst, Blackheath and Mudgee communities for 52 years and look forward to the opportunity to do more.
